Citrus County Property Appraiser Resumes Field Inspection Duties

Due to increasing concerns for the health of the community and in response to COVID-19 and CDC guidelines on March 16th the Property Appraiser suspended field operations and on March 18th in person customer service.

The vital work we perform towards completion of the 2020 tax roll has continued successfully with staff working both remotely and at our two office locations. Our Customer service staff have continued to address all Public requests of our office using phone, online services and mail.

As part of a phased in approach to restarting all onsite office operations the Citrus County Property Appraiser's office will resume necessary field work operations on Monday, May 18, 2020.

Our Field staff will be performing these work-related duties in order to safely meet statutory requirements to produce an assessment roll.

Our staff will interact as minimally as possible with you, while wearing a mask, keeping a 6-foot distance and will do their jobs as quickly as possible. They have no need to enter your home. If you have any questions, please contact our office at (352) 341-6600 or (352) 564-7130.
